Update on Kathy Conour and Diana Braun, Advocates in Action

Kathy and Diana wrapped up their 2008 conference appearances by speaking at three screenings of *Body & Soul: Diana & Kathy* in New York - at the NY DisABILITIES Film Festival in Buffalo, the Self Advocacy Association of NYS Statewide Conference in Albany, and finally the NYSACRA-sponsored Direct Support Professionals of NYC Luncheon in Manhattan!

Body & Soul: Diana & Kathy was also recently awarded the Council on Foundation's **Henry Hampton Award for Excellence in Film & Digital Media**.

Update on Larry Selman, The Collector of Bedford Street

Larry recently traveled with Alice, Sally, Diana, and Kathy to the NY DisABILITIES Film Festival in Buffalo, NY in October for screenings of *The Collector of Bedford Street* and *Body & Soul: Diana & Kathy*. The screenings were a great success and as always, Larry enjoyed meeting new people.

When not playing Santa to spread holiday cheer, Larry continues to collect for charities - he has currently raised more than \$960 for St. Vincent Pediatric AIDS Clinic.

One World Everybody Eats

Denise Cerreta, the founder of the innovative One World Cafes, and the subject of Alice's upcoming documentary project has been in the news several times recently, including articles in the Washington Post ([Foodie Outposts Add Spice to Salt Lake City's Menu](#)) and the Huffington Post ([Community Kitchens a Lot More than Free Food](#)).

The trailer for the upcoming documentary recently participated in an online video contest sponsored by Cinema Prosperite, with a focus on entrepreneurial efforts to end world hunger.
