## **AFL-CIO PROMOTES CAREERS FOR PEOPLE WITH DISABILITIES:**

At the 2009 AFL-CIO convention delegates  
adopted Resolution 18: "Unions Should Give  
People with Disabilities a Voice and a Face." This  
policy breakthrough declares the AFL-CIO's  
intention to "make itself a model by including  
people with disabilities in all discussions  
addressing diversity and by encouraging the labor  
movement at all levels to do the same." One  
initiative is the I AM PWD campaign.
