Dear friends,

Welcome Change is excited for 2014! This year we will make **ACTIVATE HERE!**, a series of refresher videos for self-advocates, available to our partners and the public.

We will continue to work on a project that will coincide with the 25th Anniversary of the Americans with Disabilities Act in 2015. Check out [facebook](#) for more details as they become available!

Most importantly, we resolve to continue bringing you high quality media about disability!

Disability/Media Newsletter in review

In 2013 we continued releasing a monthly newsletter on the intersection of disability and media. We covered multiple forms of media, including: slideshows, documentaries, training videos, op-eds, poetic shorts, interactive exhibits, and mobile applications.

If you aren't already subscribed, send an email to outreach@welcomechange.org with the subject: *Disability/Media Newsletter subscription*

Tell us what you want to see featured in 2014!
