Happy Fall From Welcome Change!

The weather has changed, and so have we! We're excited to catch you up-to-speed with what we accomplished this past Summer, and what we're doing this Fall!

Over the Summer...

Full video credit and editing goes to Chantel Erin of Live To Create.

Summers in Callicoon County
Over the summer, Alice spent time in Callicoon County, enjoying and filming the weekly Callicoon Center Band performances as part of her film, *Everything You Want to Know About the Callicoon Center Band*. Julie Sloane (Editor of the film) and Chantel Erin (Drop Op/Video Editor) joined Alice in capturing beautiful footage of the band and surrounding landscape. Check out the video above to see the beauty of Callicoon!

Diana had an enjoyable, easy summer. In August, she took a vacation to visit her friends in the countryside of Woodstock, IL, where she played with baby chicks and saw wild turkeys. A fun time indeed!
In Miracle News...

We are in the home stretch! Currently, we are running an **Indiegogo Campaign** to raise the remaining funds needed to bring *Miracle* to everyone. Specifically, we need money to license archival footage outside of the festival circuit. This film has offers from several established indie distributors and broadcast interest from public television. With a successful campaign, we'll be able to show the film wide! We have a nice assortment of rewards, generously donated by our friends Kenny Kramer, Fresh Cut Flowers, Poseidon Bakery, and Westway Diner.

In early September, Alice was a morning guest on WBAI, where she was interviewed about the progress of *Miracle*. To listen to her interview, please [click here](https://welcomechangeproductions1.createsend.com/t/ViewEmail/i/CAA2671817BADF9D2540EF23F30FEDED/C67FD2F38AC4859C/?tx=0).
