## TRUSTED SOURCE PRESENTS...

**All Riders** is a documentary featuring the fight against New York City's Public Transit System over accessibility. The film has since become a Vimeo Staff Pick with over 15,000 views across all platforms. **All Riders** has also received the

**Audience Choice Award for undergraduate finalists in this year's NYU's First Run Film Festival and was the recipient of the festival's Carl Lerner Award for Social Significance. The filmmakers are kind enough to allow viewers to screen the film for free. To support them, they have asked viewers to donate to RISE AND RESIST. RISE AND RESIST is an activist group and one of its subgroups, the [Elevator Action Group](#), is featured extensively in the film.

**On the news side of things, the NYC Mass Transit Authority (MTA) has recently appointed the first Chief Accessibility Officer, Quemuel Arroyo (a friend of Welcome Change)! The Elevator Action Group is one of the plaintiffs in a class-action accessibility lawsuit with the MTA that was recently in the news.**

*Colin Wright, one of the expert interviewees, recently  
co authored an opinion piece in the Daily News.*
